**LETTER**

Commissioner for Patents

Dear Sir:

This paper is being submitted as a supplement to the Information Disclosure Statement filed January 3, 2006. Applicants would like to point out that the Information Disclosure Statement inadvertently included a statement certifying that the two references listed on the PTO/SB/08/ Equivalent "were cited in a communication from a foreign Patent Office in a counterpart foreign application, or, to my knowledge after making reasonable inquiry, was known to any individual designated in 37 C.F.R. § 1.56(c) more than three months prior to the filing of this Information Disclosure Statement." The statement that should have been included with this IDS is as follows:

This Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required. If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.

Applicants believe that no fees are required in connection with the filing of this paper; however, if any additional fees are required, please charge to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
